Modeltude Agency LLC ("The Agency") operates at the highest levels of corporate logistics, executive concierge services, and commercial talent deployment. We recognize that our B2B clients mandate absolute discretion. This policy outlines our rigorous standards for data security and privacy compliance.

1. EXECUTIVE DATA COLLECTION & UTILIZATION

To execute our "Zero-Babysitting" logistical frameworks, we collect strictly necessary corporate data, including:

- **SLA Intake Data:** Corporate contact details, billing infrastructure, and authorized signers required to execute Service Level Agreements.
- **Logistical Deployment Data:** Secure client lists, delivery addresses, and preference profiles provided by our partners solely for the execution of blind-dropshipping and executive corporate gifting.
- **Digital Analytics:** Standard tracking data (IP addresses, browsing patterns) utilized to optimize our digital infrastructure and ensure secure access to our talent portals.

2. TEXAS DATA PRIVACY COMPLIANCE

The Agency operates in strict accordance with the Texas Data Privacy and Security Act (TDPSA). We do not sell, broker, or unauthorizedly distribute your corporate data or client lists to third-party marketers. Data provided for executive gifting SLAs is siloed, utilized exclusively for fulfillment, and protected under our corporate confidentiality standards.

3. SECURITY & CONFIDENTIALITY INFRASTRUCTURE

We deploy robust technical and organizational security measures to protect your digital assets and corporate information. All digital intake forms, SLA processing, and financial communications are encrypted. While no digital transmission is entirely infallible, our operational protocols are engineered to mitigate risk and prevent unauthorized access.

4. PHILANTHROPIC TRANSPARENCY

As part of our 50/50 Impact Model, financial data regarding generated profits is utilized internally to execute our philanthropic disbursements to Skill & Faith Athletes (SFA). Client identities remain confidential unless explicit public CSR (Corporate Social Responsibility) partnership recognition is requested and authorized by the client.

5. COOKIES & DIGITAL TRACKING

Our digital infrastructure utilizes cookies to streamline your browsing experience and secure session logins for our talent and client portals. You maintain the authority to manage or decline non-essential cookies via your modern browser settings, though doing so may limit the functionality of our B2B interfaces.

6. CORPORATE CONTACT & RIGHTS

Corporate partners retain the right to audit, update, or request the deletion of their retained data, subject to legal and contractual SLA retention requirements. For data security inquiries or compliance updates, contact our operational leadership at: **admin@modeltudeagency.com**.
